

134 Outlook Drive, Esk

Seclusion, Views and Nature on 2.2ha approx

The 2 bedroom home is high on the block where all types of wildlife is abundant. Yes, the home could do with some paint etc. but if you want a peaceful lifestyle then you need to inspect.

There is a bitumen driveway, however a 4WD is recommended at the moment due to a small section being eroded because of the recent rain.

The home is only a short drive into Esk so you really have seclusion with the convenience of shops and even a hospital close by.

Inspections are by appointment with Janette Lewis or come to the open home.
