

Evandale, 12 Llandower Avenue

Evolving Evandale Gem

It's rare to find spare land combined with a sandstone fronted, character Torrens Title cottage/maisonette. Deceivingly spacious, with broad street frontage on excess of 350sqm, it's more generous than a turn of the century cottage and with authentic elements retained; leadlight, 3m high ceilings, timber fretwork & mellow polished boards, it's bound to turn heads.

Renovated with flair and attention to modern requirements, the kitchen with invisible touch latch cabinetry, sparkling bathroom and laundry are all simple and stylish. The central living area is ideal for singles, couples or a family and flows through to the eat in kitchen. Two full sized bedrooms with walls of robes give ample storage while a split system R/C air conditioner, a wood burning retro furnace, ceiling fans and flow through ventilation along with lots of light ensure year round comfort. Decor is tranquil, yet trendy, a place to escape after a busy day with room to entertain on weekends. Throw open French doors to the covered outdoor area with paving, lawns and front and back verandahs. The garden front
