vegetable gardens, creating a thriving ecosystem requiring very little maintenance. Whether you're an experienced gardener or simply appreciate fresh home-grown produce, you'll love everything this incredible property offers.

Inside, the home delivers generous proportions with multiple living areas designed for both relaxed family living and entertaining. The formal lounge provides a peaceful retreat, while the private office or indoor rumpus room offers flexibility for working from home, children's activities or an additional living space. The open-plan kitchen, dining and family room form the heart of the home, creating a welcoming space where everyone naturally comes together.

Privately positioned, the master suite offers a walk-in robe and ensuite, while the remaining three spacious bedrooms all include built-in wardrobes and are serviced by a beautifully appointed family bathroom. Throughout the home you'll appreciate the abundance of storage, including convenient pull-down attic access for additional storage solutions.

The Entertainer You'll Never Want to Leave

One of the true highlights of this remarkable property is the spectacular all-year-round indoor-outdoor entertaining pavilion.

Designed to be enjoyed in every season, this incredible space offers the perfect balance of openness and comfort. Simply slide open the oversized French doors to allow cool breezes to flow effortlessly throughout while creating a seamless connection between the home, sparkling saltwater pool, covered sauna and surrounding gardens.

When the weather cools, close the doors and continue entertaining in complete comfort, enjoying warmth and shelter without ever compromising the breathtaking outlook across your property.

Whether you're hosting Christmas lunch, celebrating milestone birthdays, enjoying weekend barbecues or simply relaxing with family after a long day, this exceptional entertaining area has been designed to bring people together all year round.

This is indoor-outdoor living exactly as it should be.

Beyond the entertaining area, the property continues to impress with its outstanding infrastructure. Drive-through rear access leads to an oversized carport perfectly suited for caravans, boats or trailers, while the insulated double lock-up shed with 3-phase power and secure hobby room provides endless possibilities for tradespeople, collectors, hobbyists or additional storage.

Adding further value are approximately 35,000 litres of rainwater storage, a Puretec whole-house water filtration system, 10kW solar system, and instant gas hot water, allowing you to enjoy a more sustainable and cost-efficient lifestyle.
