

18 Ellis Street, Flora Hill

Fully renovated Federation design home.

This beautifully preserved Federation-style residence, originally built in 1950, showcases timeless character blended seamlessly with modern refinement. Constructed in classic red brick veneer, the home commands striking street appeal with its charming facade, traditional gabled rooflines, and welcoming veranda that immediately captures attention.

Inside, the grandeur of approximately 3-metre-high ceilings creates an incredible sense of space and elegance throughout. Intricate, hand-crafted ceiling roses sit proudly above the living areas, adding a touch of old-world craftsmanship and architectural distinction that is rarely found in homes of today.

The heart of the home is the newly renovated kitchen, thoughtfully designed to combine contemporary functionality with classic charm. Featuring quality appliances, sleek cabinetry, and a generous pantry, it flows effortlessly into the dining and living zones — perfect for both everyday living and entertaining.

Accommodation includes well-appointed 3 bedrooms serviced by two stylish bathrooms, all with built in robes. Ensuite to the main bedroom and a large central bathroom with high quality finishes and a bathtub offering comfort and convenience for families or guests alike.
