Completing this level is the oversized 38m<sup>2</sup> garage with internal access and a separate toilet.

The home continues to impress upstairs with a light-filled landing that has been thoughtfully arranged as a study space, offering peaceful views across the surrounding suburb. This area feels calm and welcoming, making it the perfect place to work or unwind. The master suite is a refined sanctuary, generously proportioned with an oversized walk-in robe and a private ensuite featuring rainfall shower and floating vanity. Double-glazed sliding doors open to your own sunlit balcony, creating a beautiful place to enjoy morning light or an evening breeze. A third bedroom with mirrored wardrobe sits alongside a stylish main bathroom complete with bathtub, rainfall shower and LED interactive mirror, ensuring comfort for family or guests.

Every element of the home has been designed with sustainability and year-round comfort in mind. A 6 star energy efficiency rating, double-glazed windows throughout, solar power, instant gas hot water and zoned ducted reverse-cycle heating and cooling provide a home that is both environmentally conscious and luxurious to live in.

Outdoors, the low-maintenance enclosed grassed yard wraps gently around the corner of the home, offering a private and secure space for children to play, pets to roam or for you to relax in the sunshine with a coffee or a book. This outdoor area extends the living spaces wonderfully and enhances the home's sense of openness.

The location completes the picture. Enjoy a short 5 minute walk to the local IGA, Café Mame, post office, community hall and nearby dining options. Charnwood Shops, medical centre and Woolworths are just minutes away. Melba Primary and Secondary School campus is within 10 minutes walking distance, while the University of Canberra and Belconnen Town Centre are only an 8 minute drive.

Warm, light-filled and beautifully finished, this brand-new residence offers a rare opportunity to secure a refined and welcoming home in one of Flynn's most convenient and connected pockets. A place to settle in, slow down and enjoy a lifestyle of comfort, style and ease.
