From the instant you step through the front door you're welcomed by the spacious open-plan formal living/dining room which leads to the alfresco dining area and timber deck.

To the right of the entry, there is a segregated family room that offers a private space to enjoy the northerly aspect and landscaped gardens.

The study, complete with water views, makes for the ideal home office (or guest bedroom).

The light-filled kitchen is enormous and connects perfectly with both the dining area and outdoor entertaining space.

It really is the home chef's dream and includes:

- a large island bench;
- waterfall stone benchtops;
- integrated dish washer and fridge/freezer;
- induction cooktop and fan forced oven;
- plenty of cupboard/drawer space and;
- a walk-in pantry.

The upper level includes the rumpus, upper balcony, main bathroom and four generous bedrooms.

The main bedroom is bathed in natural light and includes a very impressive walk-in robe and a superb ensuite.

Bedrooms two and three include built-in cupboards while bedroom four has a walk-in.

The main bathroom is also quite spacious and includes a separate toilet and vanity.
