BIG ON LAND, BIG ON OPPORTUNITY —640m² OF FAMILY LIVING

If you've been searching for a home where land is just as important as the house itself, this is an opportunity not to be missed. Set on a generous 640m² block approximately 200m² larger than the average block for a home of this configuration, this property delivers the space that has become increasingly difficult to find.

Designed with comfortable family living in mind, the home features three well proportioned bedrooms, including a private master suite complete with a walk-in robe and ensuite. A spacious separate lounge provides a welcoming retreat, while the open-plan kitchen and dining area flows seamlessly to the covered outdoor patio, creating the perfect setting for entertaining or enjoying family time.

The remaining two bedrooms are thoughtfully positioned away from the master bedroom and are serviced by a centrally located main bathroom with both a separate shower and bath, making it ideal for children or guests.

What truly sets this property apart is the exceptional outdoor space.
