Where Family Life Finds Its Groove

Tucked away in a quiet cul de sac, this is the kind of street families search for but rarely find. A place where children can ride bikes out the front, neighbours know each other by name and the sense of community still feels genuine. Peaceful, low traffic and tightly held, it is the sort of setting where families move in and happily stay for years to come.

With a commanding frontage, this home has been meticulously renovated to accommodate three to four bedrooms, two bathrooms and multiple living areas. The home offers immediate comfort with the flexibility to grow alongside your family. Ready to move straight into, it delivers the liveability so many buyers are chasing, while also presenting exciting scope to renovate or personalise over time.

Inside, the practical layout provides space for everyday family life, with good sized bedrooms, multiple bathrooms and room for everyone to feel at home. Whether you are a young family looking for a secure start, upsizers wanting more breathing room or multi-generational buyers seeking a home with flexibility, the foundations are already here.

The open plan kitchen has been perfectly renovated to suit modern living, light filled with ample storage, generous walk-in pantry and a large kitchen island connecting the family/meals area.

The master bedroom is the perfect example of how one should be, a large walk-in dressing room, spacious bedroom offering ample space as well as a generous ensuite with quality fixtures throughout.

The secure double garage adds another layer of practicality, ideal for vehicles, bikes, tools, storage or the everyday extras that come with busy family living.

The lifestyle on offer is equally appealing. Henley Beach is just minutes away for weekend swims, fish and chips by the water or sunset walks along the sand.
