possibilities of what could be added to the property or even future subdivision potential, given time.

The home is in excellent condition and has the following features

- 3 generous bedrooms all with built in wardrobes, and ceiling fans.
- There are 2 separate living areas comprising of a very spacious living and dining room. Plus a large open plan family room, which is adjacent to the beautiful modernized kitchen that comes with a huge stone island bench with breakfast bar, plus there is also lots of other storage and bench space. There is a cook top, oven, range hood and dishwasher, as well as a large pantry.
- The spacious main bathroom has a large shower, vanity, and bath.
- The living areas open out onto a very large covered outdoor entertaining area with views looking out over the rear of the block and the hinterland.
- There is parking for 2 cars in the adjoining car port and also extra room for visitors to park on the flat hard standing area at the front of the home.

Further down the yard is space to park 4 more cars, or caravan and boat, in the very large Shed/Workshop which has power connected.

There is also easy access down the yards left hand side to the rear of the block to easily add a swimming pool if required, or even a granny flat.

The top of the block also has space to add extra parking if needed.

The home is connected to town water and has a septic sewage system, and a 3KW solar power system on the roof. The home was originally built Approx 1980 and extended in 2000.

This is simply a fantastic opportunity for purchasers looking for inner city acreage living, which is close to the suburban amenities. And with the opportunity to add value in their investment with sub division potential in the future.

For interested investors the property would currently rent for \$950 to \$1,000 per week.

The home is in excellent condition and has just been freshly painted inside and out, and is surrounded with landscaped gardens, and well manicured lawns.

The owner is keen to affect quick sale and has priced the home to meet the current market conditions
