- Walk to schools, buses, Gillen Club, shops
- Fantastic first home with future potential

Freshly painted with new carpet in the bedrooms and timber-look flooring in the living area, this home is move-in ready with scope to enhance with your own personal touches. The layout comprises three bedrooms with built-in robes, a family bathroom with bath, separate shower recess and toilet, a combined living and dining room flowing to a good-sized separate kitchen and laundry room. A utility room adjoining the laundry adds versatile functionality—perfect as a walk-in pantry, a spot for an extra freezer, or simply additional storage space.

Additional features include ceiling fans, along with roller shutters on the living room and bedroom windows for enhanced privacy and security. Parking is a breeze with a carport, a garage, plus the workshop is the perfect hobby space. There is also a high clearance carport for your caravan.

Covered patios front and back offer shady retreats for barbeques or relaxing while you watch the kids play. With plenty of established lawns in the fully fenced yards, it's easy to get the kids off their screens and into the fresh air for a game of footy or to play fetch with the dog.

Ideally situated in Gillen, this home offers fantastic convenience for families, with primary schools, a preschool, and Centralian Middle School nearby. The Gillen Club, IGA, and Milner Meats—arguably the best butcher in town—are just moments away for easy dining and shopping.
