A Rare Dual-Dwelling Rainforest Escape on 6+ Acres

Welcome to 374 Sahara Road, a private rainforest sanctuary tucked away in one of the Sunshine Coast Hinterland's most peaceful and sought-after pockets. Set on over 6 acres of lush, secluded land, this rare lifestyle property delivers space, serenity, and stunning natural beauty, complete with two separate dwellings, multiple sheds, a sparkling resort-style pool, and a pristine creek winding through the front of the block.

The fully renovated main residence is a standout, offering 3 bedrooms, 3 bathrooms, and a warm, contemporary design throughout. The gourmet kitchen impresses with 20mm stone benchtops, an oversized walk-in pantry, and excellent storage. A sunken lounge with a cozy fireplace creates the perfect place to unwind, while polished hardwood floors add character and charm upstairs. Every bedroom enjoys its own private balcony, and a dedicated study nook provides the ideal work-from-home space. A versatile 6m x 6m multipurpose room currently an art studio, easily transforms into a media room, rumpus, or creative retreat. The master suite feels like a luxury hotel, boasting a beautifully appointed ensuite and a 6m walk-in robe.
