UNIQUE PROPERTY

Timeless Federation Charm with Exceptional Shedding

Rich in character and history, this impressive double-brick Federation home combines period elegance with modern practicality. Featuring pressed metal ceilings, polished timber floors, bay windows, a wide central hallway, and a wrap-around verandah, the home makes a lasting first impression.

Offering five bedrooms, three with built-in wardrobes, a spacious eat-in kitchen with excellent storage, two bathrooms, and multiple living areas, there's plenty of room for the whole family. Wood and gas heating provide year-round comfort, while a 13.6kW solar system helps keep energy costs down.

Outside, the fully fenced backyard includes an art studio/workshop and a substantial 8m x 11m (approx.) shed complete with power, mezzanine storage, third bathroom facilities, its own solar system, and convenient front and rear lane access.

A rare opportunity to secure a landmark Glen Innes home where character, space, and functionality come together.
