

62 Barnes Road, Glynde

Sold by Luke Mitchell of LJ Hooker Adelaide Metro

Opportunities like this don't come along often. Set on a generous 719m² (approx.) corner block, this much loved home offers space, flexibility and the freedom to create something truly special.

Behind its classic basket range facade sits a beautiful double brick home, original in style yet comfortable and well cared for. The layout includes three bedrooms, one bathroom and two car spaces. Making it perfectly liveable now while you take the time to plan what comes next. Whether that's a thoughtful renovation, a family extension or a longer term vision, the bones are here and the possibilities are real.

The corner position adds an extra layer of appeal, offering flexibility and a sense of openness that's becoming increasingly rare.

With frontages to Barnes Road and Edward Street, those considering a future development (STPC) have a rare opportunity to take advantage of street facing dwellings.

What we love:

- Attractive corner block with approx. 719m²
- Classic Basket range facade
