

28 Rex Street, Gosnells

R60 DEVELOPMENT GOLDMINE – 809sqm | SUBDIVIDE, BUILD OR BANK

Positioned in a high-demand growth corridor, 28 Rex Street, Gosnells delivers a rare, high-impact opportunity for developers, investors, and renovators ready to capitalise on premium R60 zoning.

Sitting on a substantial 809sqm block, this property offers multiple profit pathways — build & retain, subdivide, or full redevelopment (STCA). Opportunities at this density with this land size are becoming increasingly scarce.

The existing 3-bedroom, 1-bathroom home is structurally sound and ideal for those looking to renovate and add value. Featuring classic jarrah timber floors, it provides a strong foundation for a rewarding transformation project.

KEY FEATURES:

- Zoned R60 – high-density development potential
- Large 809sqm block – maximise your yield
- Build & retain, subdivide or redevelop (STCA)
