Comfort is a year round feature thanks to reverse cycle ducted air conditioning and solar panels that help keep running costs down.

At the rear of the home, you'll find two well-sized minor bedrooms, both with built-in robes and space for additional furniture. The master suite, located at the end of the hallway, offers double built-in wardrobes and direct access to the bathroom, which includes a separate bathtub, a glass paneled shower, and a modern vanity.

Outdoors, a large gabled patio provides the perfect setting for entertaining, while the low-maintenance and fully fenced front yard offers a safe play area for children or pets. A handy external storage room completes the package.

Located in a quiet, convenient pocket, you're just moments from shops, public transport, and local conveniences. The beautiful Canning River and surrounding parklands are at the end of the street, ideal for morning walks or weekend picnics.
