

Green Island, 8 Corbett Street

First Home Buyers - this is the One!

Tucked away in a quiet street with stunning rural views in popular Green Island is this solid 101m² brick home looking for its next family. Elevated from the street with a single freestanding garage & off street parking. Upon entering the home you are immediately greeted with the warm, sunny welcoming entrance that opens onto the 3 double sized bedrooms, a modern bathroom, then leading onto the stunning modern kitchen that is the heart of the home, light bright and perfect for family living. At the rear of the home you have an amazing size family living room with doors opening to the sun soaked courtyard area perfect for entertaining all of this set on a 787m² section. Did we mention the UPVC double glazing, heatpump and woodburner - this one definitely ticks a lot of boxes!

My vendors have loved their time here but have now outgrown this home, they have their sights set on their next abode & your immediate inspection is recommended.
