bedrooms, designed to keep life flowing smoothly whether you're hosting friends or managing busy family mornings.

At the centre, the kitchen is perfectly positioned to stay connected to the action. Featuring modern cabinetry, a dishwasher, generous bench space and easy sightlines to the living and dining area, it's a space where weeknight dinners and weekend grazing platters both feel effortless.

The open-plan living zone is bright and spacious, finished with air conditioning and ceiling fans for year-round comfort. Large sliding doors extend the living outdoors to the covered alfresco, creating that relaxed indoor-outdoor rhythm Queensland buyers love. It is ideal for BBQs, birthdays, or simply enjoying a quiet morning coffee while the kids play on the lawn.

Tucked away for peace and privacy, the master bedroom feels like a true retreat, complete with its own ensuite and walk-in wardrobe. The bedroom wing offers three generous rooms, each with built-in robes and serviced by a well-appointed family bathroom.

Outside, the fully fenced yard offers space for pets, play, or a future garden vision, all without sacrificing the low-maintenance appeal that makes this home equally attractive to owner-occupiers and investors. The remote-access double garage adds everyday convenience, and the garden shed keeps tools and extras neatly tucked away.

Greenbank continues to impress with its blend of open space, growing infrastructure and everyday convenience, making it a natural choice for families and commuters alike. From here, you are close to local transport, quality schooling and major shopping hubs, with easy access to Mt Lindesay Highway for smooth trips north or south.

With the vendor committed elsewhere, this home must be sold, offering a genuine opportunity to secure a modern, move-in-ready address in Greenbank. Whether you're looking for a comfortable family base or a strong, low-maintenance investment with solar savings and broad tenant appeal, 4 Addison Street is a standout opportunity.
