Easy Family Living Opposite the Reserve

Set opposite a reserve in a convenient Gregory Hills location, this single-level home offers the space a growing family needs without adding more work to the day.

Four bedrooms with built-in robes and an ensuite to the master provide room for everyone, while two separate living areas give the family flexibility. A fantastic kitchen equipped with modern appliances brings the family together, while the outdoor alfresco brings an excellent space for relaxed meals and family time outside. There is of course ducted air conditioning and a double car garage to complete this picture.

With Gregory Hills' shops, schools and everyday conveniences close by, this is a practical, comfortable home for buyers ready to settle into the area.
