kitchen, meals area and family room all rolled into one, however if you need more space, spill out to the oversized deck and take in the view over the paddock —yep, you've made it!

Complete with a large "man cave" shed and ample room for all the toys you could imagine, it's as rare as they come. Everyone will want to be in line for this so remember let's keep it quiet.....This is the one that you don't want to tell your friends about.....until you own it of course!

Note: Development consent would be required from Cessnock City Council
