Escape, Explore, Experience Coastal Charm

Set in a quiet cul-de-sac within one of WA's most tightly held coastal towns, this charming three-bedroom home delivers the perfect blend of laid-back country living and coastal serenity. Surrounded by nature and just moments from local amenities, this is a lifestyle opportunity as much as it is a home. Enjoy a short stroll to the river, where days can be spent picnicking on the banks, enjoying water sports, or taking in the beautiful natural scenery.

With the beach and local store also within easy reach, everything you need to embrace the coastal lifestyle is close at hand. Designed for easy, low-maintenance living, the home offers three well-proportioned bedrooms, making it ideal for families, couples, holidaymakers or investors seeking a smart coastal opportunity. Reverse-cycle air conditioning ensures year-round comfort, while the functional layout allows you to move straight in or add value over time.

Start your mornings with a coffee on the front deck, breathe in the fresh ocean air, and enjoy the space and privacy that country—coastal living is known for. The generous backyard is perfect for entertaining, gardening or unwinding after a day by the water.
