

1006/2 Gribble Street, Gungahlin

Wake Up to Beautiful Yerrabi Pond Views

Positioned on Level 10 of the highly regarded Jade development, this spacious three-bedroom apartment enjoys beautiful, elevated views across Yerrabi Pond and the surrounding reserve. It's the kind of outlook that immediately catches your attention and creates a real sense of openness that's rarely found in apartment living.

With 86qm of internal living, the open-plan design provides generous living and dining spaces that flow effortlessly onto the balcony, allowing you to make the most of the picturesque outlook whether you're entertaining friends or simply unwinding at the end of the day.

The kitchen has been thoughtfully designed with a large Caesarstone island bench, breakfast bar, double oven, induction cooktop, ducted rangehood and plenty of storage, making it equally suited to everyday living and entertaining.

All three bedrooms are well proportioned with built-in robes, while the main bedroom enjoys the added convenience of a private ensuite. Timber-look flooring through the living areas, carpet to the bedrooms, ducted heating and cooling, and double glazing complete a home that is both comfortable and low maintenance.

Completed in 2021 by POD Projects and built by Core Development, The Jade has quickly established itself as one of Gungahlin's most sought-after apartment developments. Residents enjoy exclusive access to an outdoor swimming pool, gym, rooftop gardens, BBQ areas and pizza ovens.

Located directly opposite Yerrabi Pond, you'll have kilometres of walking and cycling trails, open green spaces and one of Gungahlin's most picturesque recreational areas right on your doorstep. Gungahlin Town Centre, cafés, restaurants, supermarkets and the light rail are all within easy walking distance, offering the perfect balance of lifestyle and convenience.

Whether you're searching for your next home or a quality investment, this apartment combines generous proportions, quality finishes and an outlook that you'll never tire of.
