

Gungahlin, 6/35 Anthony Rolfe Avenue

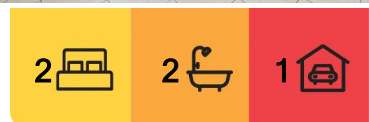

They don't build apartments this size these days.

A top floor delight of a 2 bedroom unit. Boasting lots of natural light, it feels more like a home than an apartment.

They don't make 2 bedroom apartments with this size in mind anymore. At 98sqm of internal there is so much room for activities. A small 3-story development with low body corporate. A secure lock up garage and storage sits downstairs to keep your car safe and sound.

The master bedroom has a lovely alcove and ensuite for the ultimate lazy weekends never needing to leave your room. With both rooms having floor to ceiling built-in-robos.

An open style U shaped kitchen which flows into a open plan concept living/dining space, perfect for cooking while watching your favourite show during the week.
