

Hackett, 15 Newton Street

Spacious 1960s Charmer —Extended & Ready for Your Vision!

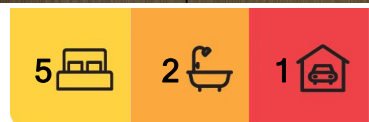

Auction Location: Onsite

What I love about Hackett is the lazy Sunday walks to Hackett Oval to take my greyhound for a stroll. Walking through the nature reserve, spotting different wildlife, and enjoying the peace and quiet that makes this suburb truly special. The strong sense of community and easy access to everything you need makes Hackett an incredible place to call home. If you're looking to put down roots in a home you can add to and make your own, then this property is a must-see!

This classic 1960s home has been extended for you, transforming from its original 4-bedroom design into a spacious five-bedroom residence with a practical floor plan that suits growing families or those looking for extra space. Full of charm and potential, this is the perfect opportunity to renovate and create your dream home.
