passive design and northeast aspect, is soaked in natural light all year round and experiences a sea breeze all summer long.

Inside the main residence you'll see exceptional craftsmanship and coastal aesthetics, from the Smartstone benchtops and fully integrated fridge and dishwasher, to the imported stone fireplace. Soaring over-height ceilings elevate the interiors, while every room has been thoughtfully considered to maximize comfort, light, and of course, the stunning views.

But the luxury doesn't stop there. A fully approved secondary dwelling, complete with its own private driveway and garage, offers incredible versatility - ideal for extended family, older children, or lucrative short/long-term rental potential.
