Volume, Light and Thoughtful Design

A residence that defies the ordinary, where scale and light aren't afterthoughts but core design elements. Three-metre ceilings in the formal lounge draw natural light deep into the home, creating volume and presence rarely found in this market. Living zones connect with ease, anchored by an expansive family area and a custom kitchen fitted with quality appliances and generous bench space, built for everyday function and effortless entertaining.

The main suite is genuinely king-sized, complete with a walk-in robe and a well-appointed ensuite that feels calm and considered. Three additional bedrooms are all oversized with built-in robes, offering flexibility for family living, guests, or working from home without compromise.

Orientation has been carefully considered, allowing the home to capture light throughout the day. Ducted gas heating, evaporative cooling, solar panels, a security system and ducted vacuuming add layers of comfort, efficiency and long-term practicality.

Outdoors, leafy privacy defines the setting on a generous block, complemented by a large double garage with internal access and
