Timeless 1950s Charm on a Spacious 731m² Block

Tucked away in a peaceful and private setting, yet just a short stroll to local shopping strips. This charming property offers a truly rare opportunity, with very little change since the early 1960s, it's a blank canvas for those with vision, creativity, and a desire to bring new life to a solid, well-built home.

Step inside to find three generously sized bedrooms and a spacious, country-style eat-in kitchen that's sure to be the heart of the home while you plan your dream renovation. A cosy, private lounge offers a quiet space to relax and unwind.

Outside, the wide driveway provides easy access to a double garage and a large workshop, offering excellent storage and space for hobbies or future expansion. The generous backyard is ideal for growing families, gardeners, or entertainers looking to create their own outdoor haven.

The gardener will love the extra space in the yard and the rainwater tank is plumbed to the kitchen, a real plus for lovers of rainwater in their tea.
