to a charming patio that overlooks a lush backyard adorned with fruit trees, adding a touch of country charm to your everyday life.

The property's standout feature is the massive approximately 40m x 21m hardstand area and an industrial-scale, three-phase powered warehouse. With three roller doors providing easy access from the hardstand, the warehouse itself spans approximately 25m x 12m with large office.

Attached to this is an impressive workshop and showroom, approximately 18m x 7.5m and a toilet/shower block separate at the rear. Whether you're looking to start a business or need substantial space for your ventures, the possibilities here are endless, subject to council approval.

Opportunities like this are incredibly rare in today's market, with land, homes, and industrial facilities of this scale scarcely available. Don't miss your chance to own a piece of history. For more information, call Brian at 0438 333 341.
