Situated on a generous 1046sqm (approx.) allotment in a leafy tree studded environment is this impressive double brick tribute to 1970's architecture where stunning Adelaide Hills views can be enjoyed from multiple locations throughout the residence.

A flexible floorplan is spread out over 2 levels, the downstairs offering a large gas heated lounge/dining room leading through to the well equipped kitchen. Bedroom 4 offers the option for home office use or study. Numerous adjacent living areas provide separation when required with room to gather together.

Upstairs are 3 additional bedrooms, the master with walk-in robes, ensuite and private balcony access taking in a picturesque outlook. Bedrooms 2 and 3 have built-in robes and share the family bathroom.
