

81 Alexander Drive, Highland Park

A PRIVATE SANCTUARY WITH A SOUL

Step onto the deck and you instantly feel it - calm privacy and a genuine connection to nature. This leafy home opens to a stunning covered alfresco area and pool renovated to enjoy the Gold Coast climate all year round and perfectly suited to relaxed entertaining. With only one quiet family neighbour and a state maintained reserve at the rear, the sense of seclusion here is rare for such a central location.

After rain, the nearby creek comes alive gently flowing like a hidden waterfall while cool breezes move naturally through the home creating a grounding backdrop to every day living. Inside, the home is light filled warm and welcoming with a kitchen designed for connection and ease. Three bedrooms, two bathrooms, a double carport, plus space for an additional vehicle behind the electric gate make the layout both practical and private.

The property gently slopes down from the road settling into its own intimate secluded setting secured and level framed by over two metre fencing that enhances both privacy and quiet. Established gardens with a productive macadamia tree, parkland next door and a dog park opposite add to the lifestyle appeal. A medical centre shopping,
