MODERN COMFORT WITH OUTDOOR LIVING IN HOLMES HILL

This sun-drenched spacious family home offers comfort, privacy, and modern upgrades.

This property features four bedrooms and two bathrooms, including a large master suite complete with walk-in wardrobe and ensuite. From the master, double stacker sliding doors open onto a private Kwila deck with family-sized spa pool, stepping down to a sheltered BBQ area perfect for entertaining or relaxing after a long day.

The home has had updated wiring, plumbing, and gas hot water, as well as an upgraded kitchen and bathroom. A large built-in fireplace with fan and two heat pumps (one app-controlled in the lounge for remote convenience, plus one in the hallway) keep the home cosy year-round.

The section is fully fenced, giving peace of mind for families with children or pets. The front yard includes double off-street parking, a neat grass area, and a sliding gate to secure the property. Out back, there's plenty of room for kids to play and enjoy the outdoors.
