Room to Grow, Space to Enjoy

As your family grows, so does the need for space, and this home is ready to accommodate every stage. Thoughtfully designed with separate living areas and an inviting outdoor space, it offers a perfect balance of comfort and practicality.

The heart of the home is a modern kitchen, complete with stainless steel appliances, a double fridge recess, and an open plan design that flows effortlessly into the dining and family areas beneath striking high ceilings. A separate sunken lounge provides a quiet retreat, while fresh new carpet adds a touch of warmth.

The master bedroom features an ensuite and walk in robe, while the minor bedrooms include robe recesses. A large laundry with extra storage ensures everyday convenience. Ducted evaporative air conditioning keeps the home comfortable in the warmer months, complemented by security screens and roller shutters on the front windows for added peace of mind.
