

230 Greatorex Road, Ilparpa

A Rural Retreat with a Story to Tell

Historic charm, country living and an incredible Central Australian backdrop.

Welcome to 230 Greatorex Road, a truly unique rural retreat where history, character and relaxed country living come together beneath the ranges.

At the heart of the property are two original railway houses, thoughtfully brought together and renovated to create a substantial home that retains the warmth and character of its past while offering the space and comforts of modern living.

Inside, generous living and dining areas provide plenty of room for the whole family, while the timber kitchen adds to the home's country character. The renovated bathrooms bring a contemporary touch, including a freestanding bath, walk-in showers and modern finishes. French doors, wide verandahs and an abundance of natural light help connect the home beautifully with its rural surroundings. Step outside and this property really comes into its own. Established lawns and gardens create a green oasis against the rugged Central Australian landscape, while the resort-style swimming pool provides the perfect place to cool off through summer.
