Owners Keen to Move On - Offers Invited in Central Iluka

The owners are ready for their next chapter and invite offers on 12 Angourie Street. With a great central location, comfortable living spaces and excellent storage, this is your opportunity to secure an Iluka home where you can leave the car behind and walk to village shops, cafés and everyday essentials.

Set among established, low-maintenance gardens, the home offers an easy coastal lifestyle with three bedrooms, a central bathroom and open-plan living and dining. The galley-style kitchen connects with the living area, keeping everyday meals and entertaining simple.

Enjoy your morning coffee on the front deck overlooking the gardens, or gather with friends in the covered rear entertaining area. Spend less time on garden upkeep and more time enjoying everything Iluka has to offer.

Practical features add to the appeal, with double carports on either side of the home and drive-through access to a large rear shed. Whether you need room for the boat, a workshop or extra storage, there's plenty of flexibility. A solar system helps keep running costs down.
