## Modern Coastal Unit with Nothing to Do - Sold Off-Market

Sold off-market in Iluka Waters, this beautifully refurbished two-bedroom unit is a perfect example of low-maintenance coastal living done right.

Freshly updated, the home presents with a modern, light-filled interior that immediately feels comfortable and move-in ready. The layout is simple and functional, with an open living and dining space that flows easily, complemented by a well-appointed kitchen designed for everyday ease.

Both bedrooms are well-sized and positioned for privacy, serviced by a neat and tidy bathroom. A single car garage and extra car space adds practicality, while the overall design makes this an ideal option for investors, downsizers or those seeking a relaxed weekender.

Quietly secured prior to hitting the open market, this result highlights the continued demand for quality units in Iluka-particularly those offering a turnkey finish in a sought-after complex like Iluka Waters.
