With a perfect balance of lifestyle, space, location and potential, this is the kind of property you've been waiting for. Beautifully renovated and ready to enjoy, it occupies a generous 655m2 allotment in one of Brisbane's emerging growth pockets, tucked away in a whisper-quiet, tree-lined street. With daily essentials right at your fingertips, it's a home that's ready to enjoy today, with exciting possibilities for tomorrow.

Inside, the home strikes a wonderful balance between classic character and contemporary comfort. Rich hardwood flooring adds warmth and authenticity throughout the living and bedroom spaces, while fresh modern finishes, matte black hardware and LED lighting give the home a crisp, updated feel. Upon entry, the generous living room is filled with natural light and offers an inviting place to gather with family or simply unwind at the end of the day.

The kitchen has been thoughtfully renovated with new flooring, quality appliances including a standalone oven, rangehood and dishwasher, along with an abundance of cabinetry, to create a space that's equally practical and stylish. There's even room for a table and chairs, so that even while you cook, you can remain part of the conversation. A small porch also comes off the kitchen and leads down to the carport outside, perfect for loading groceries.

Three comfortable bedrooms provide peaceful accommodation, each complete with ceiling fans, while the master enjoys the convenience of a built-in wardrobe. The renovated bathroom delivers a fresh contemporary finish, complemented by a separate powder room and laundry that add functionality without compromising on style.

Step outside and you'll discover where this property really shines. The expansive 655m2 allotment provides room to spread out, entertain, let the kids kick a footy or simply enjoy having space around you - something that's increasingly hard to find. Underneath the house, the substantial workshop and storage area is perfect for tradies, tinkerers or anyone needing extra room, while the generous driveway and carport parking offer flexibility for additional vehicles, trailers or future possibilities, including potential for a granny flat (STCA).

Convenience is the finishing touch. Just minutes from Inala Plaza, local parks, public transport and nearby schools, everything your family needs is within easy reach, making everyday life refreshingly simple.

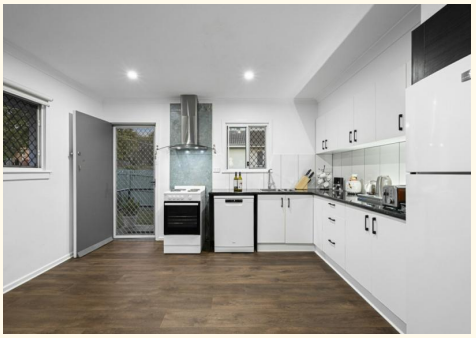

Stylishly renovated, wonderfully practical and sitting on a block with exciting future potential, this is a home that offers far more than first meets the eye. We look forward to welcoming you to 20 Wagtail Street.
