Neat as a Pin

This neat and tidy three-bedroom home offers comfortable living with a practical layout that works for any lifestyle. The open plan kitchen, living and dining area creates a welcoming space where family and friends can gather, whilst the wood fire stove promises cosy evenings during those chilly Queensland winters.

All three bedrooms feature built-in cupboards, providing ample storage to keep your home organised and clutter-free. The well maintained bathroom services the home efficiently and the thoughtful design ensures everyone's needs are met.

Step outside to discover the fully fenced yard, perfect for pets, children or simply enjoying your own private space. A significant advantage is the side access leading to a double shed at the rear, which sits on a solid concrete base and includes power connection. This versatile space is ideal for the tradie, hobbyist or anyone who appreciates good storage and workspace. Solar panels on the roof provide energy-efficient power generation, helping to reduce electricity costs whilst contributing to sustainable living.

Located on a quiet street, this property offers peaceful living whilst remaining conveniently close to local amenities. You're just a short stroll from Spar for your grocery needs and Gwydir Laycock Park
