## Neat and Tidy Family Home

Looking for a charming family home that's ready to move into without the fuss? This delightful four-bedroom, one-bathroom house might just tick all your boxes. The place has been given some serious TLC with fresh paint throughout and brand new flooring that'll have you doing happy dances in your socks.

The heart of the home features a well-designed kitchen complete with a butler's pantry & because who doesn't love a bit of extra storage space for all those bulk-buy bargains? Stay comfortable year-round with air-conditioning flowing through-out, making those Queensland summers a breeze.

With four bedrooms, there's plenty of space for the whole family, plus a separate toilet for those busy morning routines. The large internal laundry means no more trudging outside with baskets of washing, and the spacious block gives everyone room to spread out and breathe.

The drive-through carport offers convenient vehicle access, whilst the low-maintenance yard means more time for relaxing and less time wrestling with the whipper snipper. There's even an old shed out back that's just begging for a renovation project & perfect for the handy types or anyone dreaming of extra storage.
