a pond incorporated into the deck, it's a wonderful setting for entertaining or simply relaxing outdoors. An established mature hedge adds privacy, while additional seating areas throughout the garden offer more places to enjoy the surrounds.

Beyond the deck, the established grounds offer plenty of space to enjoy the outdoors, with a vegetable garden, nursery and room to make the most of the level block. Dual side access provides entry from both sides of the property, with plenty of room to accommodate a caravan, boat, trailer or other larger vehicles. An additional garden shed, discreetly positioned within the herb garden, provides handy storage for gardening equipment and tools.

The attached double garage features an electric roller door, internal access to the home and large built-in storage.

The 8m x 9m shed is a standout in its own right, offering room for a workshop, projects and the gear that comes with an active coastal lifestyle. It has 15-amp power, air conditioning and a bathroom, while the loft-style area provides additional space for hobbies, storage or a dedicated retreat.
