designed for both comfort and connection —from the formal dining room with open fireplace, to the relaxed living space warmed by a cosy wood heater. The farmhouse-style kitchen is as practical as it is charming, with a 900mm electric oven, rangehood, stone benchtops, island bench and breakfast bar —perfect for feeding a crowd or enjoying a slow Sunday morning.

Thoughtfully zoned for family life, the home features four generous bedrooms. The master is a true retreat, complete with a renovated ensuite, walk-through-robe, and brand new carpet, while the remaining three bedrooms offer built-in robes and easy access to a beautifully updated main bathroom with separate shower, bath, and toilet. A huge laundry rounds out the home's impressive interior offering.

Step outside and the real magic unfolds. A 9m x 5m inground pool promises endless summer fun, complemented by a stylish poolside cabana with aluminium shutters — perfect for entertaining, BBQs, or simply unwinding with a drink in hand. For the equine enthusiast or aspiring hobby farmer, the infrastructure is already in place: a 60m x 20m horse arena and horse/animal shelter (requiring some TLC), three paddocks, plus ample sheds and storage including a powered 6m x 6m shed, 9m x 7m open bay shed, and a garden shed.

Water is never an issue, with three dams, multiple rainwater tanks (including 6,000L dedicated to the pool), and a poly septic system already updated. Banana, lime, orange, mandarin, apple and lemon trees are already fruiting —just one more charming nod to the laidback country lifestyle on offer.
