forest of trees and reached via a meandering driveway.

Country-style in looks, with a long front porch for lazing about and another alfresco space out back, the house is light-filled thanks to lots of floor to ceiling windows. Inside, stairs connect the dining room, kitchen and a study nook with a sunken lounge and games room, kept toasty by a two-way open brick fireplace.

The kitchen is the only tiled section of this otherwise carpeted social space, its benches also topped with tiles, the cabinetry timber and the appliances electric. The beds are also carpeted, all with ceiling fans, the master with a WIR and ensuite, the others sharing a refurbished main bathroom, tiled all the way to the ceiling, with a big shower, separate tub, and modern vanity.

If you wanted, you could consider some décor updates, such as new carpet or a kitchen refit to create a more minimalist feel but, as is, the place feels super cosy and welcoming.

Outside, the main alfresco entertaining area overlooks the pool and a readymade space for a firepit; fully paved and fan-cooled, this undercover hub can easily fit a big BBQ as well as a feasting size table setting.

For your storage needs, from cars and tractors to boats and back hoes, there are several sheds, as well as water tanks and expansive stretches of grassy play space for kids and pets, or to agist horses.

As tranquil as this place feels, it's surprisingly close to every amenity with short drives getting you to Jimboomba township (Coles, Woolworths, eateries, health and beauty retailers), Jimboomba State School, Yarrabilba State Secondary College and Emmaus College. All this, and you're only a 30-minute drive to Tamborine Mountain, 45 to Brisbane CBD and an hour to the Gold Coast!

For peace, comfort, convenience and opportunity, look no further.
