Waterfront Land With Native Bush

This special piece of paradise located on the Oneriri Peninsula is a sunny sheltered 6031m² (1.49acre) lifestyle section having a building site surrounded in covenanted native bush with beautiful views of the Otamatea River.

The driveway and parking/storage area are formed and power cable trenched to site, this section has a great positive vibe with access to the foreshore, now's the time to get your creative juices going and design a coastal home and lifestyle.

If it's peace and quiet you're after and a spot of fishing then come along and see what this coastal section has to offer.
