

Kaiwaka, Lot 5 Pavel Place

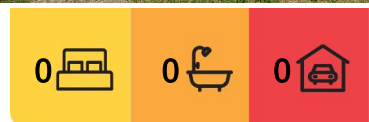

Country Living - Town Convenience

Nestled just minutes from the township of Kaiwaka, enjoy the best of both worlds, living in the country with the convenience of town amenities just a stone's throw away. Positioned to capture a sunny northerly aspect, this 6493m² lifestyle property is accessed via a peaceful private road, framed by Puriri trees lining each side.

The property enjoys beautiful rural views through to the Brynderwyns, has two timber post and rail entranceways, is fully fenced, with some boundaries featuring double fencing with plantings, a solid foundation for further plantings. A large gum tree provides shade, perhaps a place to set up camp while you build your dream home.

Lifestyle sections of this size and with this location close to town do not come to market often.
