captures a nice amount of natural light in the room. The living and dining area, with fireplace and reverse-cycle air conditioner, provides a nice point of separation from the bedrooms, and with an openness and light filled area, is a great space for relaxing or enjoying time with friends. With direct access to the front veranda plus the undercover rear patio, this is a private and ideal space for the BBQ and outdoor dining.

The small but functional kitchen is incredibly neat, in excellent condition, and overlooks the backyard and connects nicely to the dining and living areas.

As we make our way outside, the potential becomes evident. Fronting Blackfellows Lake Road, there are 4 sheds, with excellent access, that offers incredible space for storage, housing multiple vehicles, workshops or a combination of the lot.

Also on the property are dog/cat boarding pens, part of a long-standing licenced business that has potential to be ongoing, subject to licence transfer.

The open space of the large back yard is a wonderful feature of this property. Plenty of space for pets, playground and potentially a second dwelling (STCA).
