

Kearneys Spring, 3/9 Creedon Drive

Locational Buyers will Love

What a delight to inherit a property that has recently had a thorough makeover, from paint through to carpets. The three unit complex assures a reasonable body corporate for the owner occupier or investor. Positioned at the rear of the complex only enhances your privacy away from what is already a quiet street. Large light filled living and dining have immediate access to the covered outdoor living which in turn brings you to a fully fenced yard with loads of space for the family pet. In speaking about the location you are across the road from the wonderful West Creek Park Reserve which hosts the path & bike track that brings you all the way to the Toowoomba City. The overall presentation is very tidy, ready for you to live, enjoy by simply adding your own personal touches and when you add this the special location to the equation the property becomes a must for you to see. Call Michael to arrange a viewing.
