

28 Kate Street, Kedron

PERFECT QUEENSLANDER WITH DUAL LIVING OPTIONS!

Positioned within one of Kedron's most tightly held pockets, this traditional character residence presents an exceptionally rare opportunity to secure a genuine dual-let investment in the heart of Kedron. Homes of this nature seldom come to market, particularly those that combine classic character appeal with fully self-contained accommodation across two levels.

Set on a generous parcel with expansive on-site parking, the property comprises two separate residences, each offering two bedrooms, one bathroom, and a well-proportioned kitchen. The configuration provides flexibility for investors seeking dual income, extended families requiring separation, or buyers looking to occupy one level while leasing the other.

Upstairs retains the warmth and charm expected of a traditional character home, enhanced by polished timber flooring, VJ panelled walls, and generous proportions throughout. The living and dining area is notably expansive, flowing seamlessly to a covered deck that captures breezes and overlooks the rear yard. The kitchen is spacious and functional, positioned centrally to service both everyday living and entertaining.

Downstairs mirrors the practicality of the upper level, also comprising two bedrooms, a bathroom, and a full kitchen, along with a comfortable living and dining zone. With similar internal sizing across both levels, the design ensures each residence feels complete and independent rather than secondary.

Externally, the home continues to impress with extensive parking capacity rarely seen in properties of this era. A large garaged carport and additional two-car shed at the rear allow for accommodation of up to five vehicles, enabling each residence to benefit from substantial dedicated parking.

Located within one of north Brisbane's most desirable precincts, moments from parklands, local cafés, transport, and some of the area's most highly regarded schools, this is more than a property purchase. It is an opportunity to secure a unique, income-producing character home in a blue-chip Kedron address where opportunities of this calibre are exceptionally scarce.
