MOVE IN READY - RAISED COTTAGE !

Behind its classic facade, this character residence offers a home of warmth, light, and genuine liveability in one of Kelvin Grove's most tightly held streets. It is the kind of home that feels immediately welcoming, where generous proportions, high ceilings, and thoughtful layout come together in a way that's both comfortable and enduring.

The main living and dining spaces are beautifully scaled and filled with natural light, with the high ceilings creating a wonderful sense of volume and airiness throughout. The kitchen is neat, functional, and well laid out, offering plenty of bench space and storage, while also presenting an excellent opportunity to further enhance and personalise over time.

The home features a generous primary bedroom along with two additional bedrooms, all well sized and positioned close to the central bathroom. Each room retains the calm, easy atmosphere that defines the home and makes it such a comfortable place to live.

At the rear, a timber deck extends the living space outdoors and becomes a natural place to gather, relax, or entertain. Beneath the home, a large tandem garage with legal height adds a layer of
