

Kianga, 21 Lakeside Drive

Lakeside Living

Packed full of features, this classic four-bedroom Kianga home will tick a lot of boxes and will appeal to a variety of purchasers.

Upstairs you will find three bedrooms, the main bathroom and an open-plan kitchen that complements the spacious living and dining area, with large north-facing windows to ensure that you capture the Winter sun.

The downstairs area has a large bedroom with an adjoining spacious second living area and bathroom. This space has been used previously as a guest room but could just as easily be a parent's retreat or separate Air BnB rental.

The double lockup garage has drive-through access to the fenced back yard, which has ample space for boat/caravan parking, veggie beds or kids games.

Throw in walking distance to the beach and this one won't last long.
