The second bedroom is also well proportioned, while the neat central bathroom continues the home's practical and uncomplicated layout.

The kitchen sits at the heart of the home and retains plenty of nostalgic charm, with ample cabinetry and room for an everyday meals table. It is comfortable and functional as it stands, while also offering an exciting opportunity for the next owner to introduce their own style over time.

Towards the rear, the home opens into an impressively spacious third bedroom with built-in storage and an airy outlook across the backyard. Its size and position also make it a wonderful second living room, giving the floor-plan genuine flexibility depending on how you choose to live.

A large laundry with built-in storage connects to the separate water closet, before stepping outside to one of the home's most appealing features — the backyard.

There is a lovely sense of space here. An expansive outdoor entertaining area overlooks a mature garden filled with layers of foliage, established planting and splashes of colour, creating a private and peaceful setting to enjoy throughout the year. It is easy to imagine long lunches outside, children playing in the garden or simply enjoying the outdoors exactly as it has been loved for so many years.

Set across a generous allotment of approximately 669sqm with an impressive 18-metre frontage, the property also presents an exciting opportunity for buyers looking beyond the existing home. Whether the vision is to renovate and extend, reconfigure the current residence or explore the site's redevelopment potential, the substantial landholding and wide frontage open the door to plenty of possibilities for the future, subject to the necessary planning and council consents.

Vehicle accommodation is equally impressive, with a long driveway providing parking for multiple cars, an undercover carport and access through to a substantial garage and workshop with dual secure doors. Secure access, a rainwater tank and a wonderfully private rear yard add further practicality.

The location adds another layer of appeal, with everyday shopping, cafes and services close at hand along Churchill Road and Prospect Road. Families will appreciate the selection of nearby schools, while convenient public transport connections make travelling into the Adelaide CBD simple and accessible.

7 Brunswick Street is a home with heart, history and an exciting future ahead. With its beautiful original character, generous 669sqm allotment, wide 18-metre frontage and genuine scope to renovate, extend or redevelop, it offers the kind of opportunity that is becoming increasingly difficult to find.
