Quality Family Home

Set on a spacious one-acre block, this well-designed four-bedroom home offers a complete lifestyle package for families seeking comfort, space, and functionality. The air-conditioned open-plan living area welcomes you on entry, featuring striking cathedral ceilings and ample room for dining, lounging, and entertaining. The modern kitchen is well appointed and enjoys a clear view over the fenced backyard, with seamless flow to the covered outdoor living area. A separate media room provides the perfect retreat for movie nights or quiet relaxation.

The private main bedroom is positioned away from the rest, featuring air conditioning, direct yard access, a generous walk-in wardrobe, and an ensuite with both a bath and separate shower. The remaining three bedrooms all include built-in wardrobes and are conveniently located near the stylish family bathroom, separate toilet, and laundry with excellent storage. An integrated double garage adds practicality to the home's layout.

Outside, the property continues to impress with a two-bay Colorbond shed plus an additional single-bay carport, ideal for vehicles, hobbies, or storage. The fully fenced yard, rainwater tanks, and established setting complete this move-in ready acreage package. A sought-after property that ticks all the boxes for modern family living — inspection is highly recommended.
