

41A River Road, Kingaroy

Space & Storage

Set in an established area just five minutes from the Kingaroy CBD, this neat and tidy home offers comfortable living with plenty of room to make the most of the property.

The home features three bedrooms, all with built-in wardrobes, a functional kitchen, air-conditioned lounge and dining area, plus a separate second living space. A family bathroom and laundry complete the main home.

Where this property really stands out is the amount of space and storage on offer. Along with the integral double lock-up garage, there are three additional 2-bay sheds, providing an exceptional amount of room for vehicles, equipment, hobbies, workshop space or general storage.

Set on a well-fenced 2,023sqm block, the property also features established gardens and plenty of usable space around the home and sheds.

This is a practical property with genuine room to spread out, making it well suited to a first home buyer looking for a home they can improve over time, or buyers who need land and plenty of shed space without moving too far from town.
